1. [] Received a call from Mr. Bernard Poirier, Special Assistant to Senator Mike Gravel (D., Alaska), who told me that the Senator was requesting our assistance in a matter relating to their office. A nephew of the Senator's Administrative Assistant, one [] is in Indonesia following up on a recent courtship with the daughter of the Indonesian Ambassador and has apparently dropped out of sight in the last day or so after a message to his parents "that he had gotten involved in several things including CIA and was leaving the country immediately." I told Mr. Poirier that we would be pleased to provide such information that would be available here at Headquarters but that the problem is one for referral to the State Department for their action. He thanked me and said that he would contact Assistant Secretary Abshire's office. After checking with [], FE Division, I called Mr. Poirier and told him that we have no record of any contact with [], the name he had given me on the previous call. Mr. Poirier said the State Department is now working on the matter and thanked me for our assistance.
